LET'S FOCUS YOUR SUCCESS

with home4students

Home4students is a NPO based in Vienna and provides living space to students in the immediate vicinity of universities.

Home4students is the brand of the Österreichischen Studentenförderungstiftung and celebrates its 60th anniversary this year.

HOME FOR YOUR FUTURE

Modern interior and well equipped rooms help you to focus the most important things

"Just choose what's best for you!"

home4students have chosen Grabo PlankIT vinyl floor to the student's room, kitchen and fitness room too.

With this product you can create unique and classic indoor design in commercial areas, like stores, shops, restaurants, offices, and other public buildings. Due to the PUR surface it is easy-to-clean and does not require regular surface and wax.

Available in various colours and wood species, in parquet and long ship patterns. The regular size of planks are 185 mm x 1220 mm.
